

PARKER PLACE

RETIREMENT COMMUNITY

Did You Know Parker Place Accepts Weekend Move-ins?

Parker Place accepts move-ins 7 days a week, including weekends.

We understand that each move for our seniors is difficult. Parker Place strives to make this transition a smooth and stress-free as possible.

Our RN will work closely with referral sources to coordinate the required pre-move-in assessment for your patients. It is our goal to provide exceptional services to our residents and to coordinate all services prior to move-in. When possible, our RN will conduct the assessment on Friday before discharge in order to arrange medications, develop the individualized service plan and arrange any other services to meet your patient's needs.
